SOUTHEAST MICHIGAN COUNCIL OF GOVERNMENTS
50TH ANNIVERSARY

Mayor Fournier presented Ms. Kathleen Lomako and Ms. Amy Malmer with the following proclamation:

Whereas, the SEMCOG was formed in 1968 as a voluntary council of governments for the seven counties in Southeast Michigan and began with 59 charter members: and

Whereas, today 170 members including cities, villages, townships, intermediate school districts, community colleges and all seven counties belong to SEMCOG: and

Whereas, SEMCOG brought together the Metropolitan Detroit Regional Planning Commission, its Transportation Land Use Study and the Supervisor’s Intercounty Committee setting the tone for much of the work performed today and into the future: and
Whereas, SEMCOG has promoted informed decision making by providing insightful data analysis and direct assistance to members; promoted efficient use of dollars for infrastructure investment and governmental effectiveness; developed regional solutions going beyond the boundaries of individual local governments; and advocated on behalf of Southeast Michigan in both Lansing and Washington D.C.: and

Whereas, through regional planning, training and public outreach to member governments SEMCOG has supported efficient management and improvement to public infrastructure such as roads, bridges, water, sewer and stormwater; reduced traffic congestion while increasing traffic safety; improved air quality; growth of business and entrepreneurship; education of the region’s workforce and job connection: and

Whereas, the future holds vast numbers of critical issues for the region from the integration of autonomous vehicles to the ability to serve our aging population SEMCOG will play a vital role ensuring all of Southeast Michigan’s residents have access to services and amenities important to their daily life.

Now, therefore, be it resolved, I, Mayor Fournier and the members of the Royal Oak City Commission hereby congratulate the Southeast Michigan Council of Governments on their first 50 years and look forward to being a part of their continued success in the next 50 years and beyond.

PUBLIC COMMENT

Mr. Brandon Kolo, 600 E. Hudson, represented the Lawson Park Association. They asked that the berms remain intact. He asked for a show of hands in support of keeping the berms. He explained that several members of their group would speak about different aspects of the berms.

Ms. Barbara Burris, 1211 Irving, gave a brief history of the berms. She spoke about the threats to the neighborhood and how the berms serve as protection. She was in favor of keeping the berms.

Dr. Ron Arnold, 1102 Irving, spoke about the study and its flaws. He was in favor of keeping the berms.

Ms. Sue Gilbert, 1219 Irving, stated the berms protect the neighborhoods from non-residential traffic. She'd prefer the money be used to update the parks in her neighborhood.

Ms. Victoria Madurski, 1014 Longfellow, spoke about the problems with truck traffic and extra car traffic after the bars close cutting through to the expressway. Opening Harrison would be like a breach in a levee. Keep the berms in place.

Ms. Nancy Poprafsky, 1119 Batavia, explained why the berms do not interfere with city services.

Mr. Kyle Sumner, 1114 Irving, stated his reasons for wanting the berms left in place.

Mr. Scott Langdorf, 1202 Irving, noted that downtown Royal Oak was no longer quiet, but a happening place. Much of the light industrial had become high-density housing. The berms continue to protect the neighborhood.

A student from Royal Oak Middle School spoke in favor of keeping the berms.

Ms. Lora Holden, 1201 Mohawk, read a letter from Mandi and Mark Morgan of 1119 Mohawk stating their reasons for wanting the berms to remain. Ms. Holden then stated her own reasons for wanting to keep the signage and berms in place.

A senior from Royal Oak high school, who lives on Mohawk, spoke in favor of keeping the berms.

Mr. John Duff, 1118 Irving, pointed out several reasons for keeping the berms.
Mr. Mike Thompson, 1210 Irving, spoke in favor of keeping the berms. If the commission voted to keep them, the homeowners associations would like to know what they could do to partner with the city regarding the upkeep of the berms.

Mr. Jim Ellison, 1309 Mohawk, didn't want to see all the berms removed. He requested that they consider opening the Harrison berm. It was the smallest and would allow east/west traffic flow. They have no connectivity to the new neighborhoods.

Mr. Andrew Kalinowski, 1008 Batavia, wanted the berms in place for traffic mitigation.

Mr. Alex Shnaider, 1011 Knowles, supported the diverter/berm system as it stood now. Removing one berm would create problems.

Ms. Peggy Goodwin, 1015 Mohawk, supported the unanimous vote of the traffic committee to keep all the berms in place.

Mr. Pete Wurdock, 4114 Edgar, grew up in the neighborhood and was in favor of keeping the berms. He read a letter from Mary Ann Brown, who resides at 821 Mohawk and was in favor of keeping the berms.

Mr. John Bennett, 1327 Mohawk, was afraid that removing the berms would result in the neighborhood becoming less bike-able and walkable. He didn't see the need to open Harrison.

Mr. Dave Robbins, 1037 Irving, stated he's lived there since 1990 and they chose to live there because it was sequestered. He didn't want to give more people access. He wanted the berms.

Mr. Rick Karlowski, 419 Virginia, member of the traffic committee, stated they're in the process of doing a road diet on Campbell. The numbers in the study showed the berms were working. They should look at the numbers before the berms were installed. He felt the Normandy Oaks plan looked good and that growth was included. It's a good plan for the money they have.

Mr. Chris Jurvais, 1327 Mohawk, agreed with all the comments in favor of the berms and didn't want to see the Harrison berm removed.

Mr. Mike Ripinski, 3152 Parker, was happy to have a phase 1 plan for Normandy Oaks to bring to the commission. He also hoped they would approve the extension of the golf course agreement.

Ms. Norma Regenold, 2603 Vinsetta, asked the commission to contact the neighboring cities regarding a march protesting assault weapons. Assault weapons do not belong in the United States.

Mr. Alan Ashley, governor and legislative chairman for Royal Oak Manor, asked that they add representatives from Barton Towners, Royal Oak Manor and the village to the senior services advisory committee. They could offer a different perspective. They requested a rollback in the cost of parking passes for residents. At the increased price they could no longer afford to pay for the 30 passes and would have to pass the cost on to each resident. They would also like a signal installed at Sixth and Main.

Ms. Carol Hennessey, 258 E. 12 Mile, asked for the removal of the artwork next to the war memorial. She read a letter from a veteran asking that the art be removed. She agreed they should keep the berms and liked the plans for Normandy Oaks.

Ms. Barbara Veselenak, 3024 Marias, shared her experience of trying to install a hot tub and asked for reimbursement of the $100 application fee.

Mr. Bill Harrison, 2729 Trafford, also requested the removal of the art by the war memorial.
Ms. Meredith Weston-Backaitis, 3582 Arbor, was in favor of the Normandy Oaks plan and hoped the water features would be fenced in.

Mr. Patrick McGee, 4524 Elmhurst, gave a brief history of the Robertson Brothers project. He hoped they would discuss the screening for the project. A lot of compromise was made, and it was time for them to give back. The park wasn’t an extension of their project.

Ms. Laura Harrison, 2729 Trafford, announced that the Oakland County St. Patrick’s Day parade would be Saturday, March 10 at 10:00 a.m. It will start at the middle school and proceed south on Washington. It will be a family friendly morning. She added that she wanted the berms to stay in the south end.

Mr. Roger Cottington is president of Fraternal Order of Eagles, a member of the American Legion and the Royal Oak memorial society. He would also like to see the art removed from the memorial plaza. The art should pertain to the veterans.

Mr. George Gomez, 2018 Guthrie, felt the Normandy Oaks park project was fair and balanced. He was in favor of the plan.

Mr. Chris Maeso, 601 N. Alexander, president of ROYSA, hoped the second soccer field could be moved to phase 1, including the irrigation in both fields.

Mr. Ron Wolf, 333 N. Troy, was in favor of the berms staying and thought the study was too expensive. He didn’t see the need for a paved path at Normandy Oaks.

** APPROVAL OF AGENDA **

Moved by Commissioner Macey
Seconded by Mayor Pro Tem Douglas

BE IT RESOLVED that the city commission hereby approves the agenda for the February 26, 2018 meeting with the addition of item 13 Resolution in Support of March for Our Lives.

Moved by Commissioner LeVasseur
Seconded by Commissioner Gibbs

Be it resolved that the motion be amended to include the addition of item 14 Discussion of Art Next to War Memorial.

AYES: Commissioners Gibbs, LeVasseur, Macey

NAYS: Commissioner Paruch, Mayor Pro Tem Douglas, Mayor Fournier

MOTION FAILS

ORIGINAL MOTION BACK ON TABLE

BE IT RESOLVED that the city commission hereby approves the agenda for the February 26, 2018 meeting with the addition of item 13 Resolution in Support of March for Our Lives.

AYES: Commissioners Macey, Paruch, Mayor Pro Tem Douglas, Mayor Fournier

NAYS: Commissioners Gibbs and LeVasseur

MOTION ADOPTED
CONSENT AGENDA

Moved by Commissioner LeVasseur
Seconded by Commissioner Gibbs

BE IT RESOLVED that the city commission hereby approves the consent agenda as follows:

B. Whereas, the culture of the people of the State of Michigan has been continually renewed and enriched by the many different people who have chosen to come to Michigan, become citizens and call this state home; and

Whereas, each individual brings a part of his or her own heritage which over time integrates into one common heritage, leading us to become a more united people; and

Whereas, as unified people with one common heritage, we represent the past, present and future traditions of our great state; and

Whereas, Michigan is fortunate to count among its population, large numbers of citizens of numerous descents, who together make important contributions to our economy and society through their commitment to numerous professions, commerce, family and the arts; and

Whereas, we must foster an interest in the heritage, culture, and history of all peoples and pass that understanding and knowledge on to the next generation awakening in every American community awareness of the quality of the contributions that all types of ethnicities can bring to our modern American lifestyle; and

Whereas, the City of Royal Oak is the first city to create Ethnic and Cultural Heritage Month in the country and is now celebrating the 18th Anniversary through the efforts of our own Royal Oak resident Joan Larson.

Now, therefore, be it resolved, I, Mayor Fournier and the members of the Royal Oak City Commission hereby declare March 2018 as the 18th Anniversary of Ethnic and Cultural Heritage Month in the City of Royal Oak and urge all residents to acknowledge the contributions of citizens of all ethnic descents to the quality of life in our state.

C. BE IT RESOLVED that the claims of February 16 and 27, 2018 audited by the department of finance are hereby approved.

G. Be it resolved, the city commission hereby approves filling the utility billing specialist position in the utility billing department.

H. Be it resolved, the city commission hereby approves filling the vacant building inspector position.

I. Be It Resolved, the mayor and city clerk are authorized to execute the construction engineering services contract with Nowak and Fraus Engineers of Pontiac, Michigan to provide the required construction engineering services for the federally funded N. Main Street resurfacing project for the estimated proposal price of $104,506.80 and directs staff to issue a purchase order in the amount of the proposal.

J. Be it resolved, the mayor and city clerk are authorized to execute the construction engineering services contract with Spalding DeDecker Associates, Inc. of Rochester
Hills, Michigan to provide the required construction engineering services for the federally funded S. Campbell Road resurfacing project for the estimated proposal price of $102,541.62 and directs staff to issue a purchase order in the amount of the proposal.

K. Be it resolved, the city commission hereby awards Contract CAP1835 Royal Oak 2018 Road Reconstruction Improvements to Hard Rock Concrete of Westland, Michigan for the bid price of $1,519,850.00 and directs staff to issue a purchase order in the amount of the bid price.

L. Be it resolved, the city commission hereby awards Contract CAP1837 Royal Oak 2018 CDBG Sherman Drive Landscaping Improvements to Evergreen Tree & Restoration, Inc. of Romulus, Michigan for the base bid price of $47,750.48 and directs staff to issue a purchase order in the amount of the bid price.

M. Be it resolved, the city commission hereby approves contract modification 2 for Royal Oak Contract CAP1725 2017 Joint Sealing Improvements with Michigan Joint Sealing, Inc. of Farmington Hills, Michigan to include the addition of work as shown in table 1, adjusting the contract in the amount of $131,792.00 and directs staff to amend the purchase order accordingly.

N. Be it resolved, the commission hereby authorizes the mayor and city clerk to execute the license agreement with Video Design, Inc. of 514 E. Fourth Street, Royal Oak, MI for encroachment in the adjacent public alley right-of-way at 514 E. Fourth Street.

O. Be it resolved, the city commission hereby awards contract CAP1838 - street tree planting program to Crimboli Nursery Inc of Canton, Michigan for a bid price not to exceed $97,200 and directs staff to issue a purchase order in the amount of the price proposal; and

Be it further resolved, the mayor and city clerk are authorized to execute the contract documents for the project.

P. Be it resolved the first amendment to the amended and restated development agreement for the Normandy Oaks planned unit development to re-number single-family lots contained on the approved final site plan and site condominium plan and within the associated development agreement is hereby approved, and that the mayor and city clerk are hereby authorized to execute the first amendment.

Q. Be it resolved, the city commission approves exercising the agreement option which will extend the golf course management agreement with Royal Oak Golf LLC and approves reducing the rent to $25,000 per year because they are only managing one course since the closing of the Normandy Oaks Golf Course.

R. Be it resolved, the city commission approves the one-year subscription for SeamlessDocs with the online payment option and authorizes the city manager to execute the agreement.

MOTION AMENDED TO LEAVE A ON THE CONSENT AGENDA, MOTION NOW READS:

BE IT RESOLVED that the city commission hereby approves the consent agenda as follows:

A. BE IT RESOLVED that the city commission minutes of January 29 and February 12, 2018 are hereby approved.
B. Whereas, the culture of the people of the State of Michigan has been continually renewed and enriched by the many different people who have chosen to come to Michigan, become citizens and call this state home; and

Seconded by Commissioner Macey

Be it resolved the city commission hereby postpones discussion of the resolution in opposition to Governor Snyder's Michigan Indigent Defense Commission Policy Change Request to the next meeting.

ADOPTED UNANIMOUSLY

RESOLUTION IN SUPPORT OF MARCH FOR OUR LIVES

Moved by Mayor Pro Tem Douglas
Seconded by Commissioner Macey

Whereas, the United States leads the world in the number of mass shootings defined as four or more people being shot during one incident, not including the shooter; and

Whereas, statistics from the Gun Violence Archives reveal there have been 1,627 mass shootings in 1,870 days; and

Whereas, perpetrators of mass shootings prey on the most vulnerable of our society making schools their targets; and

Whereas, since January 1, 2018 there have been at least 7 shootings in American schools resulting in injury or death, and a total of 208 since the Columbine school shooting on April 20, 1999; and

Whereas, since this crisis became evident and debate commenced regarding the role mental illness contributes to mass shootings, neither congress nor the state legislature have found the political will to reduce access to military grade assault weapons or enact any other effective gun control policies; and

Whereas, calls to fortify our schools and arm professional educators do nothing to address the true cause of this uniquely American problem; and

Whereas, the Parkland survivors have decided that enough is enough and have organized a 'March for Our Lives' to take place Saturday, March 24; and

Whereas, students from around the country (and the world) will unite on March 24, 2018 to show their resolve and demand action from legislators for comprehensive gun control; and

Whereas, we believe all children deserve safe and healthy environments to pursue their education and that it is our responsibility to provide them with this most basic necessity; and

Whereas, we believe children in Royal Oak are no less at risk than anywhere else in the county;

Now, therefore, be it resolved the City of Royal Oak stands with the students and children of our community be demanding that our state and federal elected officials enact sensible gun control policies; and

Be it further resolved the City of Royal Oak invites all residents to join in showing support on March 24, 2018 as we all come together for our children and their future and join them in the March for Our Lives.

AYES: Commissioners Macey, Paruch, Mayor Pro Tem Douglas, Mayor Fournier
